Commanding General sends

ABERDEEN PROVING GROUND, Md. – Team CECOM, I'm excited to share with you the inaugural edition of "Got Your Six," CECOM's new bimonthly command update video. Going forward, all six CECOM subordinate organizations will use this video series to highlight their talented people and unique things they are doing to support the warfighter. You can watch the video here:

CSM's Corner: The power of a handwritten note

ABERDEEN PROVING GROUND, Md. – Greetings Team CECOM, There is something about a personal handwritten note that can make a difference, because it can make you feel like a valued member of a team. When I received a handwritten note from a former commander and battle buddy 10 years ago, I can still remember how it made me feel. I felt respected and loved by someone with whom I worked. Yes, I said loved. When we take the time to get to know our team as leaders, peers and subordinates, we begin to see that love for one another can produce more than just a flourishing team.

Five inducted to C5ISR Hall of Fame

ABERDEEN PROVING GROUND, Md. – A quintet of contributors toward the Army's C5ISR readiness and successes were inducted into the class of 2020 of the newly expanded C5ISR Hall of Fame at APG during a Nov. 18 ceremony. C5ISR stands for Command, Control, Computers, Communications, Cyber, Intelligence, Surveillance and Reconnaissance.

Veteran voices ring loud, clear

ABERDEEN PROVING GROUND, Md. – The installation paid tribute to its veterans during a virtual Veteran Voices of APG presentation Tuesday, Nov. 10. The virtual broadcast brought together local veterans of different eras, diversities and service branches to chat about shared experiences, resources and how serving impacted their lives, as current service members at APG shared their appreciation for the Nation's Soldiers, Marines, Airmen, Sailors and Coast Guardsmen.

For information on stories or submissions, contact Ann Gonzalez at ann.c.gonzalez.civ@mail.mil or 443-861-6719.

ISEC provides steadfast IT support amid pandemic to V Corps Headquarters

FORT KNOX, Ky. – When the U.S. Army announced activation of the V Corps headquarters at Fort Knox in February 2020, an advanced facility that could meet Soldiers’ technological needs was quickly required. U.S. Army Forces Command tapped the U.S. Army Information Systems Engineering Command to provide engineering and information technology support to the newly activated V Corps and its deployed warfighters.

Nakdong Challenge tests current Soldiers, honors Korean War heroes

CAMP CARROLL, South Korea – In the opening days of the Korean War, 41 American prisoners of war were executed by North Korean forces on a hill along the Nakdong River above Waegwan, South Korea. The site of the war crime on Aug. 17, 1950, known as the Hill 303 massacre, was later used for a memorial constructed by U.S. troops stationed at nearby Camp Carroll Army Base.

ISEC computer engineer sustains critical White House-Moscow hotline

ABERDEEN PROVING GROUND, Md. – For U.S. Army Information Systems Engineering Command Computer Engineer Travis Bagley, the White House Senior National Leadership Communications Program catapulted his federal service into a rewarding Army civilian career.

Inauguration task force capitalizes on depot capability

TOBYHANNA ARMY DEPOT, Pa. – Team Tobyhanna personnel will be counted among the tens of thousands of joint service members supporting an organization tasked with planning, coordinating and executing key aspects of the 2021 presidential inauguration.

Service shaped airman’s global perspective

ABERDEEN PROVING GROUND, Md. – Intelligence Specialist Ronald “Chappy” Chapman, with the U.S. Army Communications–Electronics Command, said he is grateful for the experiences and opportunities he received while serving in the U.S. Air Force. As a teen, Chapman said he was drawn to the opportunities to travel and to receive an education. He was also inspired by his uncle, Earl Chapman, who served in the Air Force.

Nominations are now open for the Class of 2021 C5ISR Hall of Fame

The nomination period runs through January 31, 2021.
